

Free Green Careers Workshop

Date: Tuesday, September 14, 2010
Time: 10:00 AM – 2:00 PM
Location: Rancho Cordova Career Center
Address: 10381 Old Placerville Road
Suite 150
City, State, Zip: Sacramento, CA 95827

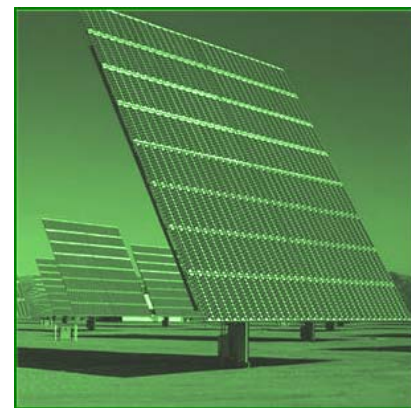

The Clean-Green Industry is expected to produce over 10,000 jobs over the next ten years.

The Sacramento region has invested and received a substantial amount of funds to train individuals in the Clean-Green sector.

In an effort to educate the community about this 'Clean-Green' industry a workshop has been put together to help those who are interested in green jobs/careers with a basic understanding of:

- What green jobs are
- Where they can be found
- Resources and strategies for finding your green career niche
- Resources about clean-green training programs

Please call (916) 255-3255 to reserve your seat as capacity is limited to 20.
